

# Why we are here

- First meeting (October 2020): Project introduction
- Second meeting (November 2021): Concept alternatives
- Today: Share recommended concept

# Project background

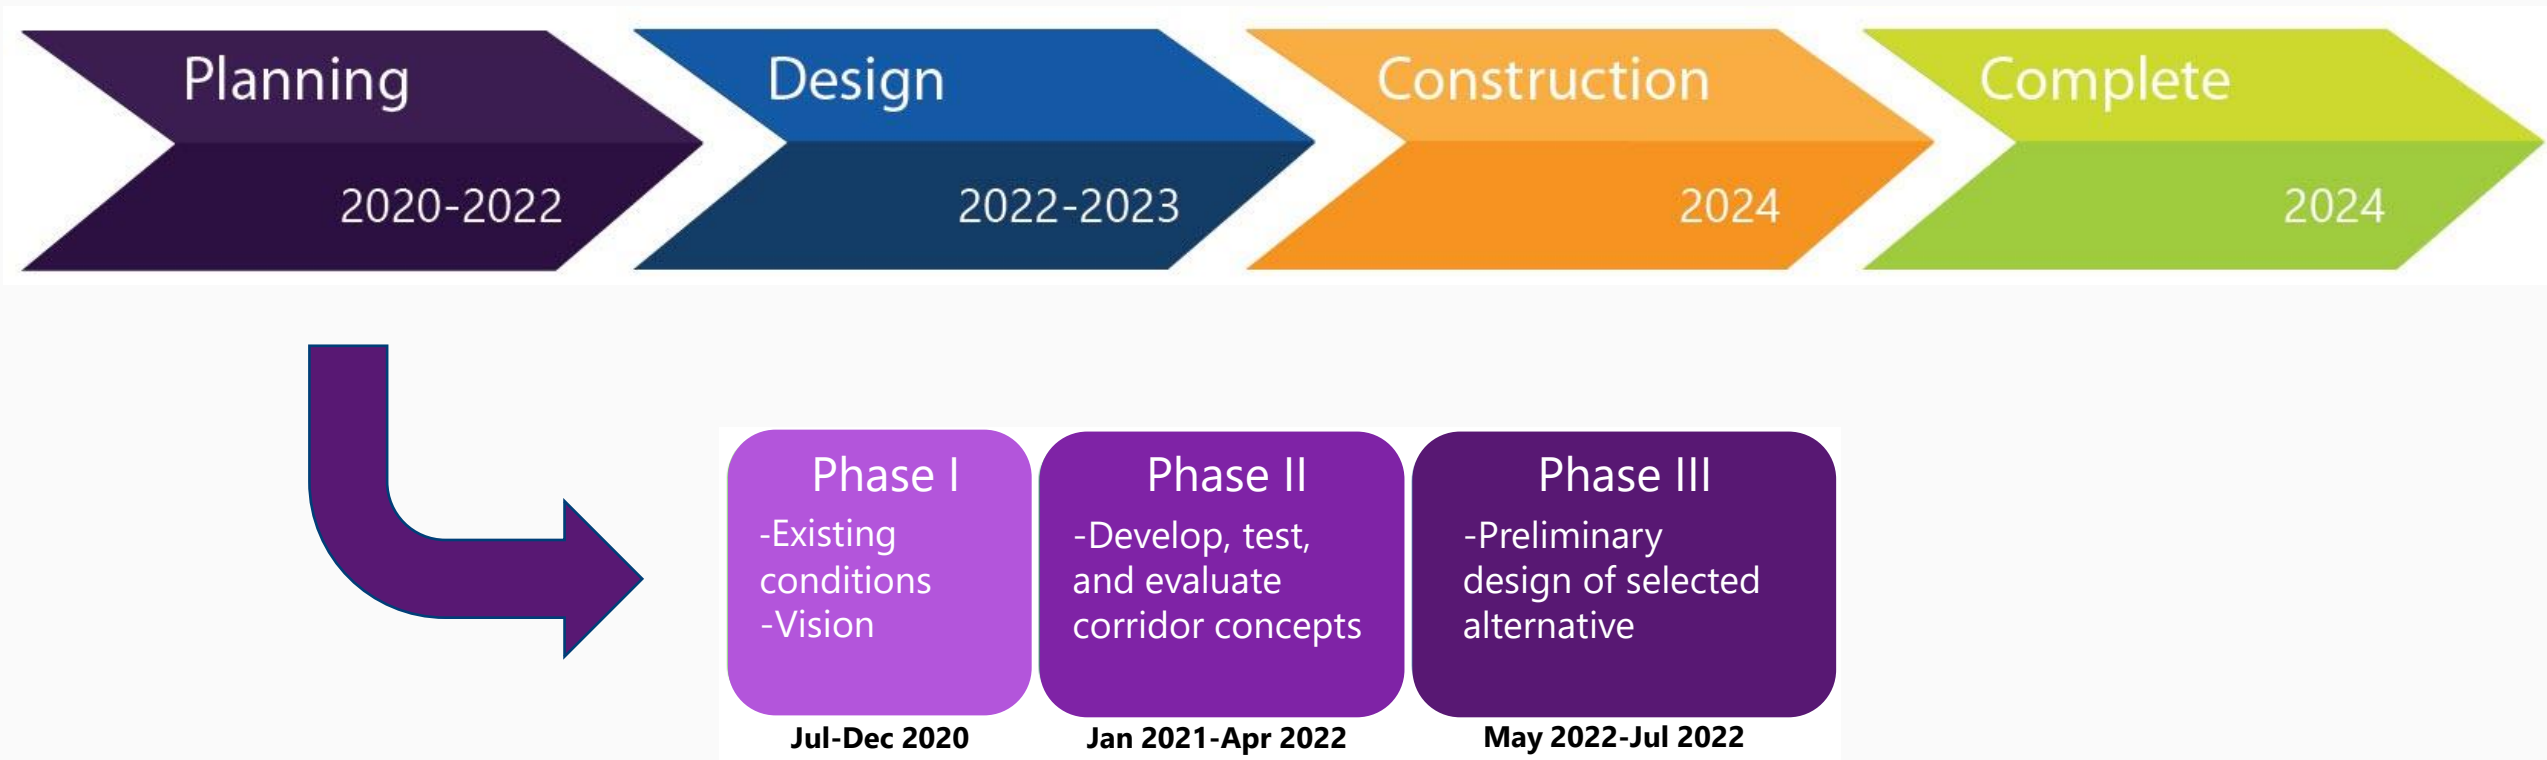

- Received \$5.5M in federal funding in 2018 for 2023 construction
- Funding aligned with county goals
  - more mobility options (including bike lanes)
  - accessibility improvements
  - traffic signal upgrades
- Retrofit, not a full reconstruction

June 2022 Advisory Committee Update

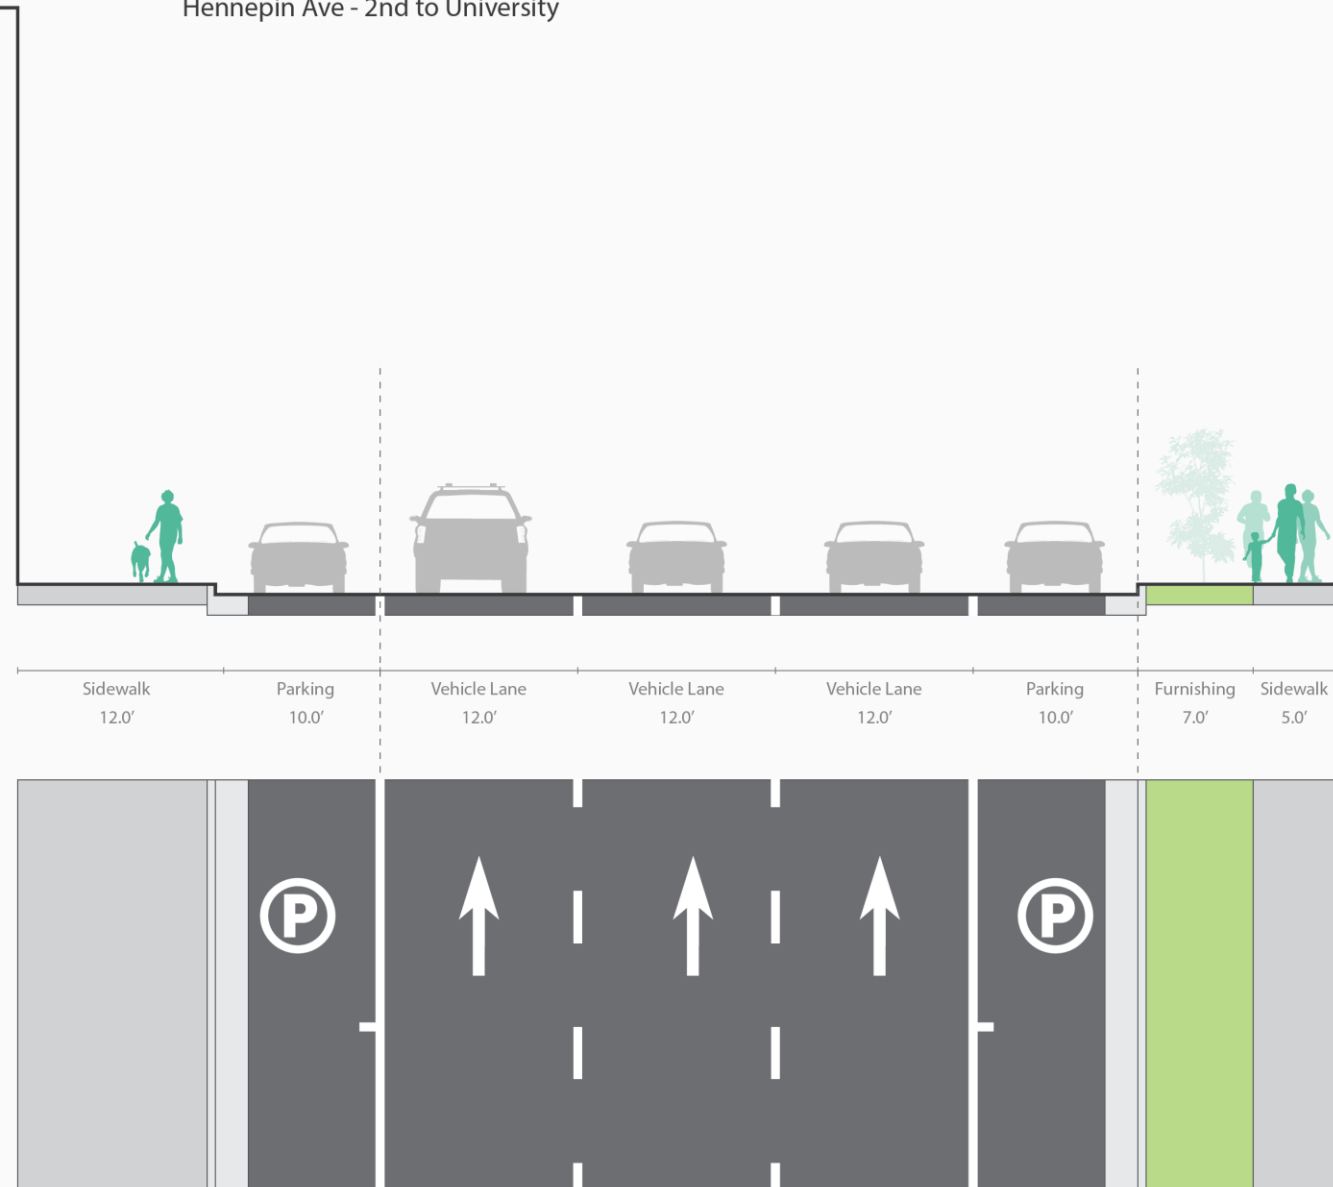

# Project schedule

# Existing

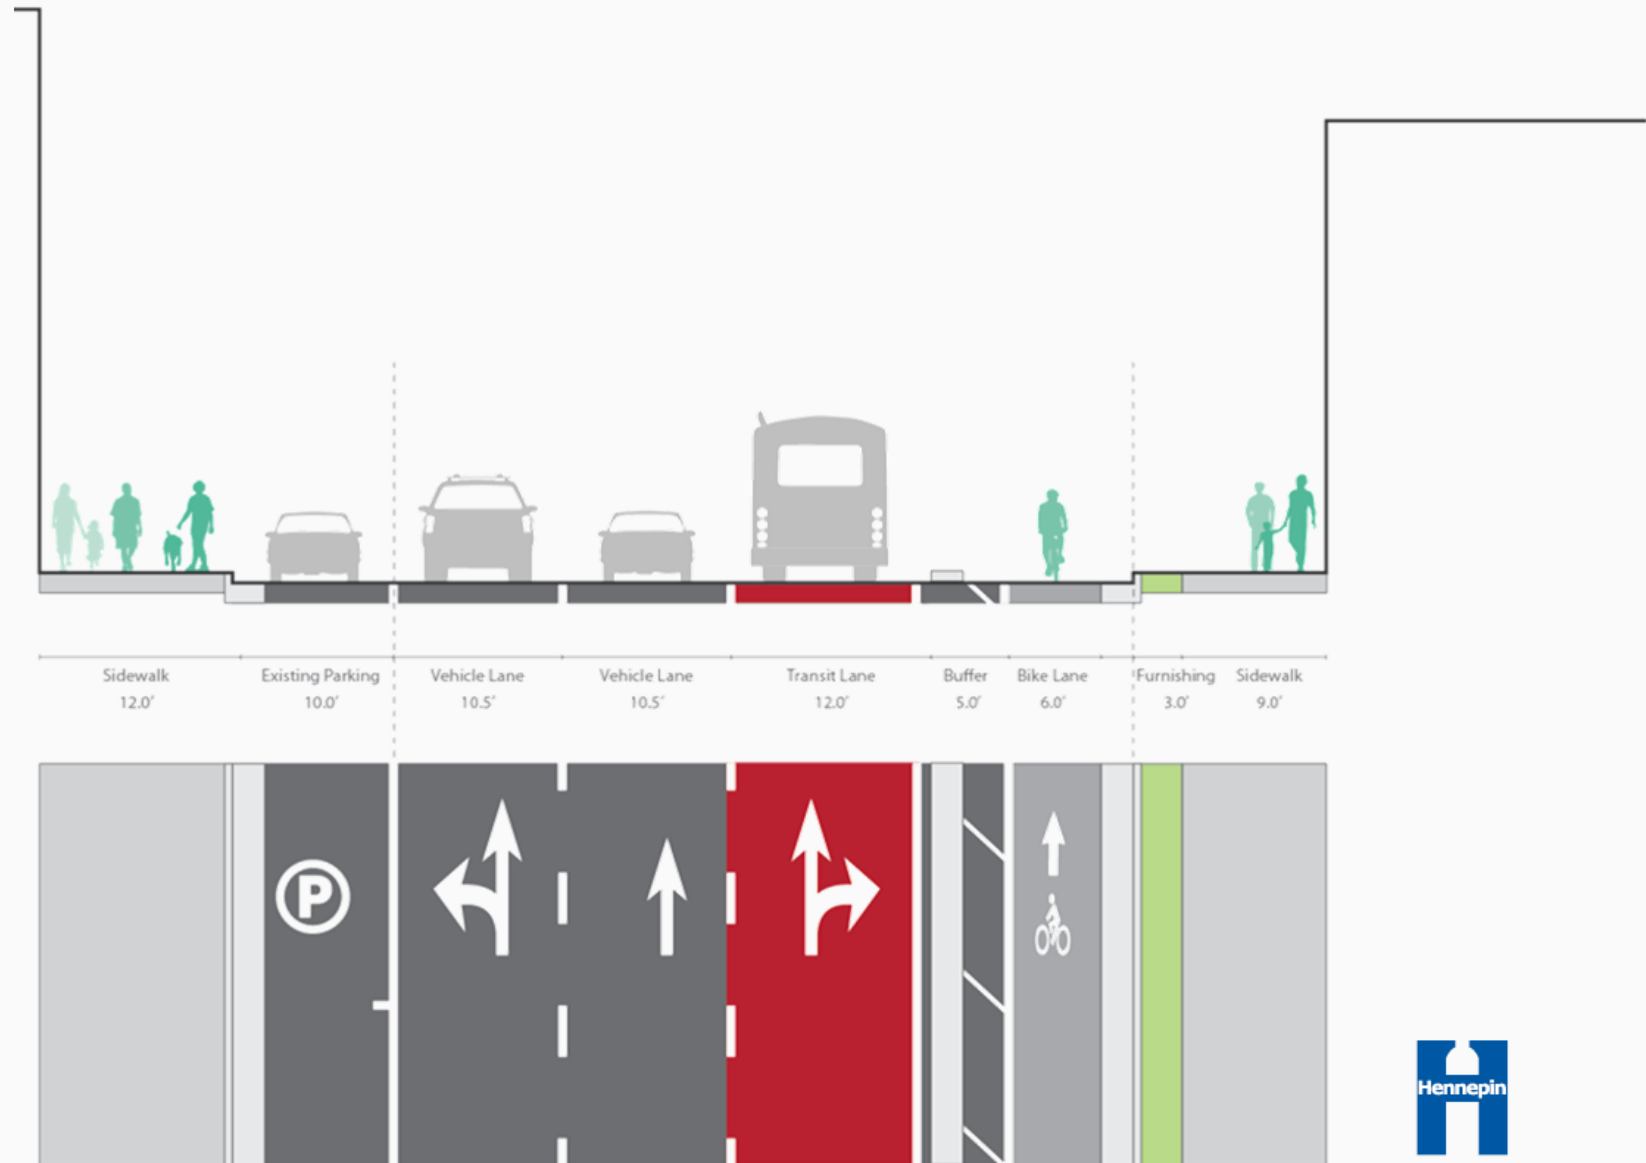

- 3 travel lanes
- 2 parking lanes
- No bike facility

**EXISTING ROW**  
Hennepin Ave - 2nd to University

# Recommended Concept

- 2 general purpose travel lanes
- 1 transit priority lane
- 1 parking lane
- 1 protected bike lane
- Improved transit stops
- Curb extensions
- Free right removals
- ADA improvements

# Recommended concept

# Triangle concept
